

Republican Convention.

The convention was called to order by the Chairman of the Mason County Executive Committee, Mr. Newton Cooper. Immediately Mr. Maurice C. Hutchins, of Maysville, in a short speech, nominated Mr. N. Cooper for permanent chairman of the convention, seconded by Mr. Andrew Miller. Mr. W. H. Wadsworth, Jr., then offered the name of his Honor, Horace January, Mayor of Maysville, as a candidate for permanent chairman. Mr. N. Cooper resigning the chair, called Mr. A. M. J. Cochran to that place, who called for the eyes and mays, the house was so crowded that it occurred to Mr. Maurice Hutchins that a division was necessary, which was ordered and the house dividing, the temporary chairman, Mr. Cochran, decided Mr. January elected, he having probably three to one of the votes in the house. Mr. January took the chair amid great applause and announced that nominations for permanent secretary were in order.

Mr. J. M. Stockton then nominated W. H. Wadsworth, Jr. for that place, and no other names being offered he was elected and took the clerk's desk.

On motion Mr. A. M. J. Cochran, Mr. J. M. Stockton and Mr. W. C. Shackelford were appointed by the chair, a committee to select delegates to the Catlettsburg and Louisville conventions. The committee, after conference, brought in the following named gentlemen as delegates, which report was adopted by the convention:

W. C. Sadler, James Hefflin, H. January, Geo. Guggin, J. M. Stockton, Geo. Strohmer, (col.) W. H. Wadsworth, Jr., W. C. Shackelford, F. H. Bierbower, Wm. Haler, (col.) A. M. Johnson, Thos. Graves, (col.) Sam Smith, Wm. Lally, C. W. Williams, Geo. Dye, T. C. Westfall, Thomas Forman.

It was then moved that all other good Republicans be permitted to attend said convention, which motion was lost.

Mr. Walter Belle Phister introduced a resolution as follows:

Resolved, That this convention endorse the administration of President Arthur, Hon. Walter Evans, Commissioner of Internal Revenue, and Hon. W. W. Caldwell, member of Congress.

After some discussion Mr. Phister's resolution and motion were put and lost.

Mr. A. M. J. Cochran offered a resolution endorsing the administration of Mr. Arthur, which was unanimously carried.

Mr. Hutchins offered the following:

Resolved, That we recommend the following named gentlemen as delegates to the National Republican Convention for the State at large, Hon. Walter Evans, Hon. W. W. Caldwell, Hon. Silas F. Miller, and Hon. A. M. Swope, and the Mason County delegates to the Louisville Convention are instructed to vote for them.

This resolution and motion were lost.

Mr. W. C. Shackelford offered the following:

Resolved, That the Mason County delegates to the convention at Louisville are instructed to vote as a unit for Col. A. M. Swope as a delegate from the State at large to the National Convention at Chicago.

This motion was seconded by W. H. Wadsworth, Jr., and when put to vote was carried unanimously.

Mr. A. M. J. Cochran then resigned his position as Secretary of the County Committee, whereupon Mr. W. H. Wadsworth, Jr., was elected to that office. On motion a committee consisting of F. H. Bierbower, J. M. Stockton and A. M. J. Cochran were appointed to select members of the County Executive Committee, who reported the following:

Maysville No. 1—W. C. Shackelford, N. Cooper, A. M. J. Cochran and Geo. Strohmer. Maysville No. 2—H. January, G. W. Martin, W. H. Wadsworth, Jr., and Thomas Graves. Dover—T. C. Westfall and Johnson Peck. Minerva—Perry Geo. Hill and J. W. Giesby. Germanown—Wm. Hill and Abner Kelley. Sardis—G. W. Taylor and H. G. Gribble. Mayslick—C. W. Williams and Jonas Myall. Washington—Dr. Alex Hunter and Thomas Forman. Murphysville—J. W. Gault and Joseph Stephenson. Lewisburg—Geo. F. Bateman, Geo. Campbell.

The report was adopted and the convention ordered the members as selected to appoint their chairman, which they afterwards did in the person of Mr. W. C. Shackelford, of Maysville, Mr. Cooper having heretofore resigned. On motion the convention adjourned.

The picture our friend would have us imagine is a tasteful one, and worthy of Kendall's pencil, but it is certainly news to us that Shannon is a suburb of Maysville, and we always thought Bill Wells lived out in the country.—Sunday Morning Call.

Our hypercritical neighbor for the name of Bill Wells, will please to substitute that of Newt Rudy, but we must at the same time explain that he is not at present culling buttercups and anemones, but is engaged in the more useful occupation of gathering saw-logs.

His Plan Failed.

KENDALL'S SPAVIN CURE. The Most Successful Remedy ever discovered as it is certain in its effects and does not blister. Read proof below.

Kendall's Spavin Cure. SANTA ROSA, California, Feb. 9, 1883. B. J. KENDALL & Co., Gents.—I feel it a duty to others suffering with the piles and falling of the rectum to write to you. I have had the piles and prolapsus of the rectum for five years, for the past three years I have suffered the most agonizing pain. I tried everything without relief, but after ten days' use of Kendall's Spavin Cure, I have no more of the piles since. One who has not suffered as I have cannot comprehend the great joy that I felt at being cured of a disease almost worse than death. I had a valuable young horse that had a large lump gather on his breast bone. I tried all kinds of liniments and had it cut open without any benefit. Saw your advertisement and bought a bottle of Kendall's Spavin Cure and ordered my teamster to use as directed. In less than one week the lump had disappeared. Thinking that a liniment that would do what Kendall's Spavin Cure has done for my horse might benefit more. I tried it as a last resort. With gratitude and best wishes for your success, I am faithfully yours, J. H. GLENN.

All druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & Co., Enosburgh Falls, Vt. Sent for illustrated circular.
